

COOLFONT MOUNTAINSIDE TRAIL SYSTEM

White Trail

Difficulty: Easy to Moderate

- The trail winds around the perimeter of our property.

Note: You can see remnants of old stone fences from farming many years ago.

Blue Trail

Difficulty: Strenuous

- A steep hike to the top of the mountain with beautiful views

3 RECOMMENDED HIKES

Easy – White Trail Loop

Hiking Time: approx.. 1 hour

- Park at the end of Dogwood Way.
- Trailhead is next to the pump.
- Follow the white blazes on the trees.
- The trail will cross Wintergreen.
- At the stairs, go left onto Bobcat Drive, left onto Mountainside, left onto Dogwood and back to parking.

Moderate – White Trail

Hiking Time: approx. 2.5 hours

- Park at the end of Dogwood Way.
- Follow the white blazes across Wintergreen Way and Bobcat drive.
- The White Trail meets the Blue Trail.
- Take it south until you see white blazes and continue south until you reach Salmon Lane.
- Take Salmon Lane back to Mountainside Loop back to Dogwood Way and parking.

Difficult – Blue Trail

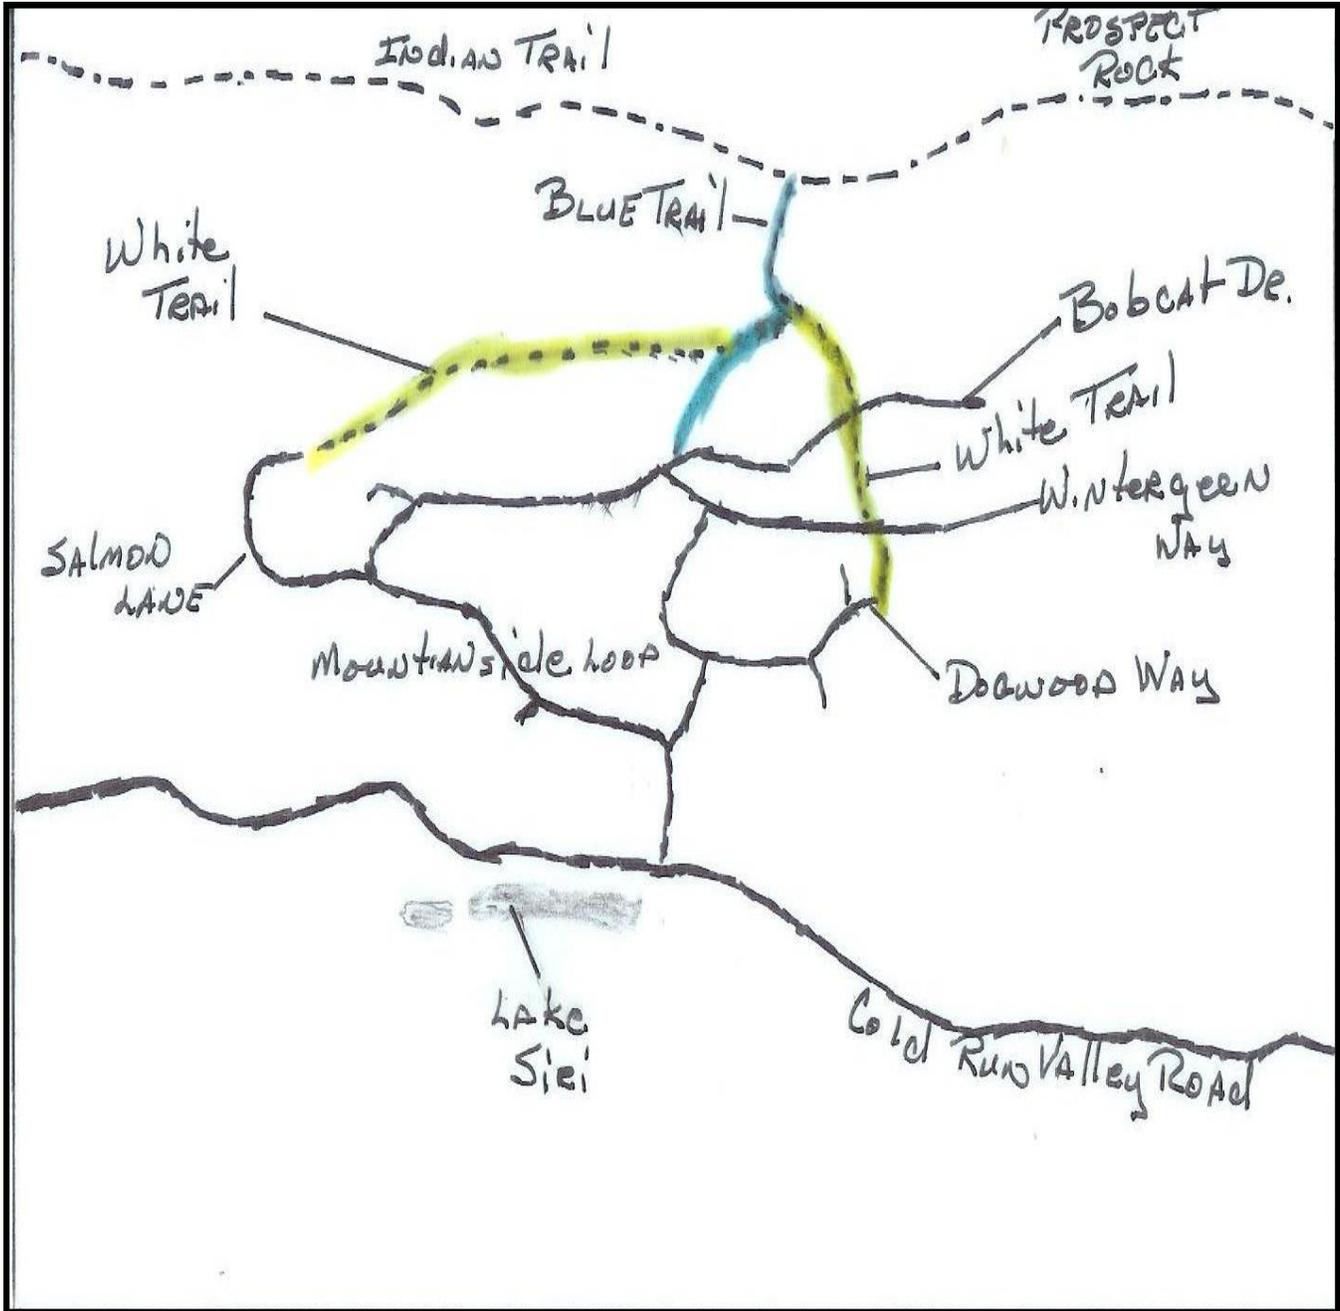

Hiking Time: approx. 2 hours

Warning: the hike down is harder than going up because of the large amount of leaf litter which makes the trail slippery.

- Trailhead is along Bobcat near the intersection with Mountainside Loop.
- Look for sign. You can park on wide parts of the road shoulder.

Note: For a longer hike, when you reach the Indian Trail, you can hike north Prospect Rock

Guidelines for Safe Hiking

1. Know your trail and stay on the trail.
2. Wear appropriate clothing and hiking shoes.
3. Always make sure to bring plenty of water.
4. Watch out for poison oak and poison ivy.
5. Let others know your plans.
6. Check the weather forecast just prior to the hike.
7. A map and perhaps compass are recommended.
